

Alpine Adventure 2024

Dates: 18th-23rd September 2024 inclusive (5 nights)

Location: Megeve France

The International 7 Network are pleased to announce our 2024 Alpine Tour, with the option of professional driving tuition from our partner Road to Mastery.

From the moment you start the snaking climb from Sallanches to Megève and get regular glimpses of the snow-capped Mont Blanc, you'll know you've arrived somewhere special, the motorway below a distant memory. The Alps around Megève offer a unique playground. With a myriad of mountain passes (*cols*), breath-taking views, sweeping routes with minimal traffic, narrow hairpin climbs and some technical wiggly stuff – it's all there.

Our base at [Megeve](#) is ideal for sightseeing as well - within easy driving range of the imposing [Mont Blanc](#), world-renowned town of [Chamonix](#) and the historic city of [Annecy](#) with its stunning lake and medieval centre,

or the stunning road up to the quaint town of [Le Grand Bornand](#).

It's an ideal location from which to explore the French Alps so you'll have to strike a balance between enjoying the superb driving roads and soaking up the sights or activities.

Road to Mastery have a base in the area and will be providing us with all the best driving routes which include the 6 most stunning mountain passes in the area - many of which they use on their driving mastery courses
